

Creating line art for multiple uses from a pencil drawing

The Coelacanth character "Boris"

- From pencil drawing to a scalable line image using the Wacom drawing tablet.

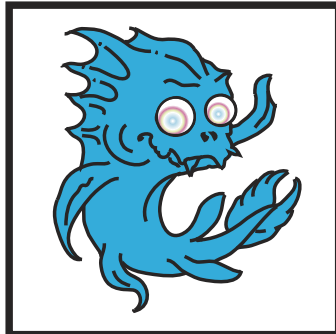

Boris coffee mug

New looks for Boris:

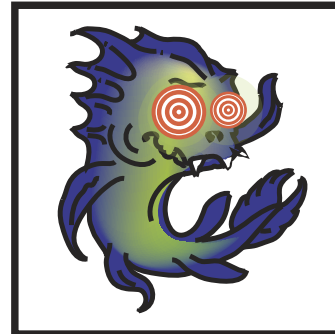

Psychedelic Boris:

- Radial gradient gives the effect of body paint
- Heavy strokes create glasses

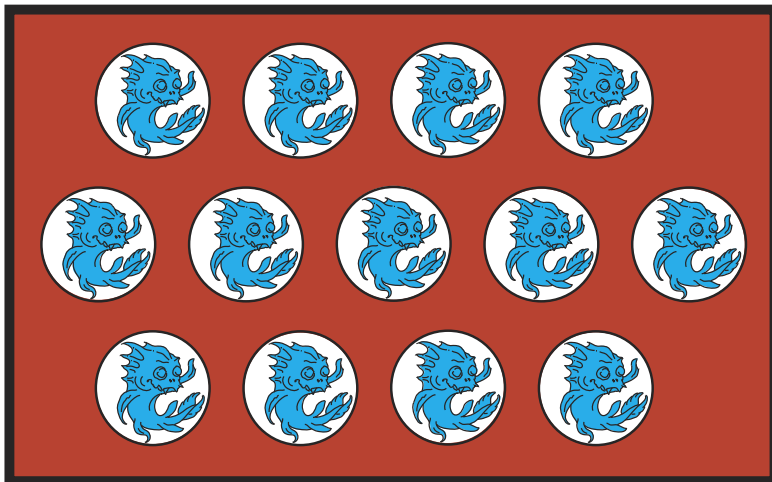

Blue-man Boris:

- Solid body colour
- Radial gradient creates realistic eyes

Psycho Boris:

- Gradient mesh provides light toning over solid body colour
- Repeated strokes create eyes

Boris as a pattern for cloth or wallpaper!
